

SECURE Hidden Video Cameras Odor Grabber Plus

Electra-View COMPLETELY SECURE 2,000ft. Wireless Version

Fully Functioning Odor Grabber With Built-In Hidden Video Camera and 2,000ft. Wireless SECURE Link

A Tiny pinhole lens behind the face of this fully functioning odor grabber captures a commanding 90 degree field of view while the internal SECURE video sender transmits video through your electrical lines!

"Stealthy!" For consumers requiring the ultimate in covert video privacy, this hidden camera has it all. Using patented AC technology, the internal video sender "wraps" the signal around your internal electrical wiring. Video transmission stops at the termination point (The Meter).

Plug & Play Operation Makes Installation a Snap

If you can operate a VCR, you can easily install this hidden camera. In less than 5 minutes you will have a virtually undetectable, covert video system up and running.
