

Hanging Plant Hidden Surveillance Camera

Professional Grade 1000ft. Wireless Version --- Battery and A/C Powered!

Hanging Plant With Built-In Hidden Spy Camera and 1,000ft. Wireless Video Transmitter set

The **Tiny pinhole lens** inside the basket of this plant gives a commanding 90 degree field of view in your choice of black & white or color camera. while the internal 2.4GHz video transmitter sends the video to your VCR

"Instant Green Thumb..." Just add power! No water needed. The plant camera is ideal for video surveillance in homes and businesses. Designed to hang from suspended ceilings or where access to the attic is easy for running wires.

Plug & Play Operation Makes Installation a Snap

If you can operate a VCR, you can easily install this surveillance camera. In less than 5 minutes you will have a virtually undetectable, covert video system up and running.
