

Covert Cameras Industrial Style Wall Clock

Hard Wired Version

Fully Functioning Industrial Style Wall Clock with Built-In Hidden Video Camera and 25ft. of integrated video/power cable

The Tiny pinhole lens behind the face of this fully functioning 14" Wall Clock gives a commanding 90 degree field of view in your choice of black & white or color camera.

"Very Functional" You will not believe the image quality you get with this hidden camera system. Hotels, businesses, airports, hospitals, correctional facilities, cafeterias, schools, and many more organizations are finding they can increase security with very little cost.

Plug & Play Operation Makes Installation a Snap

If you can operate a VCR, you can easily install this hidden camera. In less than 5 minutes you will have a virtually undetectable, covert video system up and running.

Features:

- Fully Functioning Wall Clock -- Blends in perfectly
- Built-In Hidden Camera -- Only You Know the Secret
- Black & White or Color Camera
- Wide Angle Pinhole Lens -- See More with One Camera
- Infinite Fixed Focus -- Worry Free Installation
- 5 Minute Quick Setup -- Save Time
- Lifetime Technical Support -- Have a question? Just call!
- 2 Year Standard Warranty -- We've got you covered.
