

# Covert Cameras Industrial Style Wall Clock

**Law Enforcement Grade 3,000ft. Wireless Version**

## Fully Functioning Wall Clock with Built-In Hidden Video Camera and 3,000ft. Wireless Video Transmitter set

A **Tiny pinhole lens** behind the face of this fully wall clock captures a commanding 90 degree field of view while the internal 2.4GHz video transmitter sends the video to your VCR.

**"Powerful!"** Our law enforcement customers demand the best and we deliver. For operations requiring extended range, this system out performs all of the other 2.4GHz hidden cameras on the market.

## Plug & Play Operation Makes Installation a Snap

If you can operate a VCR, you can easily install this hidden camera. In less than 5 minutes you will have a virtually undetectable, covert video system up and running.
