Pewter Style Wall Clock

700ft. Wireless Version

Fully Functioning Pewter Wall Clock With Built-In Hidden Video Camera and 700ft. Wireless Video Transmitter set

A **Tiny pinhole lens** behind the face of this fully functioning wall clock captures a commanding 90 degree field of view while the internal 2.4GHz video transmitter sends the video to your VCR.

"Time is on your side." You will not believe the image quality you get with this hidden camera system. People around the world trust the dependability of this easy to operate hidden camera.

Plug & Play Operation Makes Installation a Snap

If you can operate a VCR, you can easily install this hidden camera. In less than 5 minutes you will have a virtually undetectable, covert video system up and running.
