

Teddy Bear Hidden Spy Camera

Hard Wired Version

Teddy Bear Hidden Security Camera with 25ft. of integrated video/power cable

One of the eyes in this teddy bear gives a commanding 90 degree field of view in your choice of black & white or color camera.

"Cute and stealthy..." Just add love! Excellent choice for parents wanting to keep an extra eye on the kids.

Plug & Play Operation Makes Installation a Snap

If you can operate a VCR, you can easily install this hidden spy camera. In less than 5 minutes you will have a virtually undetectable, covert video system up and running.

Features:

- Built-In Hidden Camera -- Only You Know the Secret
- Black & White or Color Camera
- Wide Angle Pinhole Lens -- See More with One Camera
- Infinite Fixed Focus -- Worry Free Installation
- 5 Minute Quick Setup -- Save Time
- Lifetime Technical Support -- Have a question? Just call!
- 2 Year Standard Warranty -- We've got you covered.

Included Includes

Standard Video Cable: 25ft
Longer Lengths Available
