

Teddy Bear Hidden Spy Camera

Professional Grade 1000ft. Wireless Version --- Battery and A/C Powered!

Teddy Bear Hidden Security Camera with 1,000ft. Wireless Video Transmitter set

One of the eyes in this teddy bear gives a commanding 90 degree field of view in your choice of black & white or color camera. Internal 2.4GHz video transmitter sends the video to your VCR or TV

"Cute and stealthy..." Just add love! Excellent choice for parents wanting to keep an extra eye on the kids.

Plug & Play Operation Makes Installation a Snap

If you can operate a VCR, you can easily install this surveillance camera. In less than 5 minutes you will have a virtually undetectable, covert video system up and running.
