

Smoke Detector Hidden Camera

Professional Grade 1000ft. Wireless Version

Non-functioning Smoke Detector with Built-In Hidden Video Camera and 2.4GHz Wireless Video Transmitter & Transmitter

A **Tiny pinhole lens** behind the face of this detector captures a commanding 90 degree field of view while the internal 2.4GHz video transmitter sends the video to your VCR.

"Superb Quality" You will not believe the image quality you get with this hidden camera system. Used by those needing slightly more power than the "Consumer Version" supplies.

Plug & Play Operation Makes Installation a Snap

If you can operate a VCR, you can easily install this hidden camera. In less than 5 minutes you will have a virtually undetectable, covert video system up and running.
