

Tissue Box Hidden Security Camera

700ft. Wireless Version -- Battery or A/C Powered!

Tissue Box With Built-In Hidden Security Camera and 700ft. Wireless Video Transmitter set

The Tiny pinhole lens inside this tissue box gives a commanding 90 degree field of view in your choice of black & white or color camera while the internal 2.4GHz video transmitter sends the video to your VCR or TV.

"Bless you..." Just add power! No need to wipe your nose. The tissue box camera is ideal for video surveillance in homes and businesses.

Plug & Play Operation Makes Installation a Snap

If you can operate a VCR, you can easily install this hidden camera. In less than 5 minutes you will have a virtually undetectable, covert video system up and running.
