

Timex INDIGLO Alarm Clock Hidden Camera

Hard Wired Version

Fully Functioning Radio Alarm Clock With Built-In Hidden Video Camera and 25ft. of integrated video/power cable

Tiny pinhole lens behind the face of this fully functioning radio alarm clock captures a commanding 90 degree field of view. Camera lens is hidden so well it's hard for ANYONE to find, even if they know it's there!

"Simply amazing!" You will not believe the image quality you get with this hidden camera system. Home owners around the world trust the dependability of this easy to operate hidden camera.

Plug & Play Operation Makes Installation a Snap

If you can operate a VCR, you can easily install this hidden camera. In less than 5 minutes you will have a virtually undetectable, covert video system up and running.
