

U.S. Postal Service Shipping Authorization Form

We **STRONGLY** urge you **NOT** to use the post office as a shipping method when ordering our products but understand you may have no choice in the matter. We can accommodate your request but you **MUST** agree to the following terms and acknowledge that you fully understand this agreement.

Please check that you agree to the following:

I understand my order will most likely NOT ship the same day I placed the order due to the fact that USPS picks up packages early in the morning.

I understand that while USPS claims Priority Mail arrives in 2 to 3 days that this is an AVERAGE and packages may take MUCH longer to arrive.

I understand that I MUST sign for my package to prove that I received it.

I release Covert Systems Group / SpyGadgets from all liability associated with my choice to use USPS as my preferred shipping and in the event that the package is lost or stolen.

I agree NOT to file a complaint with my credit card issuing bank if my product doesn't arrive when I expect it to arrive.

If I file a complaint with my credit card company which results in a chargeback fine against Covert Systems Group / SpyGadgets I agree to pay the fee up to \$50.00 and associated administrative costs.
